Pete, age 88, passed away with his family at his side on Wednesday, June 5, 2019, at the St. Williams Living Center in Parkers Prairie, MN, with compassionate care provided by St. Williams Living Center and Knute Nelson Hospice.

Warren "Pete" Truax was born to Van and Elfine (Larson) Truax on February 7, 1931, at their home in Oak Valley Township, Ottertail County, MN. He grew up on the farm and by February 1952, was drafted into the US Army where he served two years as a private in the signal corps during the Korean conflict. While on-leave, Pete was united in marriage with Ramona Eloise Heuer on August 2, 1952. He spent most of his working years as a dairy farmer in Bertha MN. He sold his cows and owned and operated Sinclair Gas Station in Bertha for a few years but later went back to dairy farming.

Pete had a quick wit and an easy smile. He was a great story teller. He loved spending time with family, his cars, coffee time, playing cards, watching the Twins and giving every player a nickname. Pete and Mona spent 20 years in

Apache Junction, AZ, where they continued to work and play cards, and returned to Bertha in 2002.

Pete was preceded in death by his wife Ramona on May 14, 2016; his parents, Van and Elfine; brothers, Stanley, Robert, (Ruth), William, (Clarice), David; and sister Gloria Jean (Lawrence) Rach.

“ Dear Connie, Karen, Suzy, Cindy, and Husbands:

There are so many memories...about 70 years worth. The memories are all so good. Pete was like a brother who I never had an argument with. When I was getting started in farming, Pete and Mona lived and farmed only a mile or so away. When I was drafted into the US Army, they stored our furniture in the attic of their farm house. When I got out of the army, Pete and Mona drove all the way out to our home in Lakewood WA for a visit. As the years went by, and Lois and I lived hundreds of miles apart from family, we still cherished our vacations/visits to Bertha, and to your farm. Our kids remember Uncle Pete and Aunt Mona well. We played cards together, we fished together and Pete showed me how to 'bondo' a rusted-out car, which I then did with three-old cars, and drove them.

I'll miss Pete, but he's in a much better place now, and he's back with Mona.

*May the Lord bless you all,
Wally and Kathy*

We'll see you next Thursday.

Thanks Wally. Dad knew what to do about rust but never had a car he had to do that to? Maybe growing up with his Dad's cars is how he learned about that.

“*Connie, Susie, Karen and Cindy,
I'm so sorry to hear of your dad's passing. I have such fond
childhood memories of Uncle Pete from my couple of summers on
your farm. He taught me how to milk cows and how to "hold on" in
the car when he drives (literally) 100 mph down the country dirt
roads. Remember there were no seat belts...just the bench seat in
front. He was full of humor and always made me laugh. I hope you
all remember your fondest memories of your dad, find comfort in
them and they bring a smile to your heart.
My Deepest Sympathies,
Tammy (Heuer) Enea*
