“ Wayne always was a faithful friend. When we were in college he introduced me to the girl who has now been my wife for almost 44 years. Pat and I are grateful that we had a chance to visit him and Shirley in Oregon a few years ago. He loved our 1950s cars; who but Wayne would paint a Pontiac black and yellow? (With matching upholstery no less) We had a many a good discussion over the last several months; I shall miss Wayne a lot. I'm sorry that I will be out of state and will miss the services.
