“ My thoughts and prayers are with all of you. Bill played a special place in my entire life...growing up with Lynnell and all of the problems the both of us caused. But, Bill and Dorothy usually laughed and let us be kids. Growing older I always looked forward to seeing Bill or Dorothy (and occasionally Lynnell) when I would come back to Wadena. And when my dad was ill you were both there to help our family. And when my dad died you were there for us and my mom. Thank you.

“ My deepest sympathy to all of you. Bill has always been a special memory for me, from growing up, to the visits in Ft. Worth after trips to San Antonio, to helping my mother after my father died.

I pray the Lord will be with you all during this time of grief. While there may be sorrow on earth, there is joy in Heave.

Love,

John Gerlach

“ Bill and Dorothy were always there for our family during the difficult times that we experienced when dad died at such a young age. We always looked forward to them stopping by and visiting as our own family grew up. Blessings to you all and our thoughts and prayers are with you as you celebrate Bill's victory over death and the power of the devil.
