“ Bill and I attended all four years of high school together. Our friendship has been a lasting one and we've done many things together. Besides high school we've fished the raging rivers, we've picked potatoes together in Dakota and we've recreated together many Sunday afternoons. We served in the army at about the same time and both attended the University of Minnesota. Our dearest sympathy to Janice and the family. Janice has been a great caregiver and Bill really recognized and appreciated that. Our prayers are with you. Clarence
