“ *To all the Jennissen's-So sorry to hear about "Billy Boy". He was a person I truly admired and had so many laughs with. I looked forward every year to his witty comments to me about football or wrestling and the fact that he cared and was concerned about my family. One year he gave me a Charlie Brown Christmas tree from his land when I was short of cash. It was one of the most special trees my family decorated. I just saw him coming from Neil's the other day on his little four wheeler and waving at each other like crazy. I will always remember and love him. Again, I'm so sorry for your loss. May God hold him close as we all have.*

“ I have worked with Bill since he started at Brody and I can honestly say that he was one of the sweetest men I have ever known, and he will be deeply missed by all of us at Brody. Although we only met in person once or twice, his phone calls are unforgettable. He was always so sincere and thoughtful. He spoke very fondly of his family, and repeatedly invited me to come on over and have a beer with him sometime. What a blessing to have known such a wonderful man. My heart goes out to your family, he will be missed.
